A TESTIMONIAL FOR MS. MISTI BURMEISTER

Have you been seeking to understand your organization and invoke change? If so, Misti Burmeister is the one for you. Misti's energy, enthusiasm, wit and passion awaken crowds and transforms thought patterns, even those resistant to change. Her ability to connect between generations helps foster mutual understanding that sets the framework for organizational growth.

Misti has worked her magic over the past year with my life/work TEAM and was truly the catalyst, that "spark plug" - if you will - igniting an innovative revolution in our organization. Whether talking to executives or large audiences, she connects in a way few do. She is genuine in her approach which resonates with both Boomers and Millennials. You come away with a real sense of what needs to be done. This is Misti's gift.

I know there are many who approach you to offer their services, and I also know you don't know me! - but take my advice - If you want real change, If you want someone who will challenge conventional thinking, If you want someone to help you to bridge the gap between generations in your organization - then seek out Misti Burmeister. She is without question a Rising Star - one who is guaranteed to make a positive impact. An absolute WINNER!
